

17th ANNUAL COMMUNITIES FOUNDATION OF TEXAS FREEDOM DAY

UNITED WE SERVE • 09.11.2018

On Tuesday, September 11th, Communities Foundation of Texas will host its 17th annual Freedom Day, a community service event honoring the lives lost and those forever changed by the tragic events of September 11, 2001. This year, join the massive troop of Member Company volunteers and family members as you serve side-by-side with Dallas-Fort Worth area veterans to highlight the service of female veterans. Last year, over 950+ volunteered with 16 nonprofits across 28 project sites. In recognition of the courage and bravery of the men and women who fight for our freedom, and those first responders who protect us, we dedicate this grand day of service to them by supporting local organizations that provide essential services to veterans and their families and first responders. We will also host a family service day on Saturday, September 15th. Join us for one or both events in honoring our local heroes during one of the largest 911 commemorative community service events in DFW!
